

Giving on Purpose

Topic: Giving | Age band: Builder

Name: _____

Date: _____

You have some coins this week (ask a grown-up what amount to use, or pick your own). Decide how to split them across Spend, Save, and Give. Make sure they add up to your total.

SPEND _____	SAVE _____	GIVE _____
-----------------------------------	----------------------------------	----------------------------------

Total: _____ (should equal the amount you were given this week)

Why did you split it this way?
