

Staying Safe and Aware With Digital Money

Topic: Digital Money | Age band: Strategist

Name: _____

Date: _____

Here is a week of a made-up digital wallet history. Add up the amounts.

Date	What for	Amount
Mon	small in-app purchase	2
Tue	snack	3
Wed	small in-app purchase	2
Thu	small in-app purchase	2
Fri	snack	3
Sat	small in-app purchase	2
	Total	___

Which entries surprise you when you add them up? Why?

Now read this message:

"URGENT: Confirm your payment details now or your wallet will be locked!"

Is this a real payment message or a phishing attempt? How do you know?
